Summer Theatre

Workshop Structure

During the summer, our members meet daily from Monday to Friday and explore different aspects of theatre with a particular focus on developing performance skills. Each week, under the careful guidance of our experienced and enthusiastic workshop leaders, students will explore a different drama topic or play and prepare an open session for parents to share what they have learnt.

New Content Cater to Age Group

Younger actors will focus on developing confidence using the actor's tools – the voice, body and imagination. Older actors will build upon this foundation with more complex and challenging drama skills to become a more skilled performer. Scripts and themes will vary from fresh adaptations of famous stories to original, devised stories and are chosen on Monday with our actors in mind!

Performance Skills & Knowledge

- Expressive use of voice and vocal projection
- Creative physical movement and ability
- Being in the moment and stage awareness
- Understand different points of view and empathy
- Appreciate and understand different styles, genres, practitioners and more from the wonderful world of theatre!
